Section 10: Stability and Reactivity

Stability of the substance:	Stable under normal conditions of use.
Conditions to avoid	Keep away from direct heat or sunlight.
Material to avoid:	N/A
Hazardous decomposition products:	N/A
Hazardous polymerization:	N/A
Specific Data	N/A

Section 11: Toxicological Information

Data and interpretation:	No toxicity data is available.
Summarize data:	N/A
Format:	N/A

Section 12: Ecological Information

Toxic to aquatic life with long lasting effects	N/A
Data organization:	N/A
Environmental risk and safety phrases:	N/A

Section 13: Disposal Considerations

Disposal information:	Dispose of by use. Dispose of empty container by wrapping with paper and placing in the garbage, in accordance with the Territorial Local Authority.
------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------

Section 14: Transport Information

Transport information:	Not classified as a dangerous good for transportation
-------------------------------	-------------------------------------------------------

Section 15: Regulatory Information

Registration number: A003407

For conditions of registration see <http://www.foodsafety.govt.nz>

HSNO Approval Number: HSR002521 (Animal Nutritional and Animal Care Products Group Standard 2006)
