Section 9: Physical and Chemical Properties

Description of product: Fine white granulated with some powder.
Distinct apple odour

Loss on Drying: Final Bulk < 2.5%

Water Solubility: Soluble

Required specifications N/A

Further specifications N/A

Specific advice: N/A

Section 10: Stability and Reactivity

Stability of the substance: Stable under normal conditions of use.

Conditions to avoid Store away from children and foodstuffs

Material to avoid: N/A

Hazardous decomposition products: N/A

Hazardous polymerization: N/A

Specific Data N/A

Section 11: Toxicological Information

Data and interpretation: No toxicity data is available

Summarize data: N/A

Format: N/A

Section 12: Ecological Information

Potential environmental interactions: N/A

Data organization: N/A

Environmental risk and safety phrases: N/A

Section13: Disposal Considerations

Disposal information: Dispose of by use.
Dispose of empty container by wrapping with paper and placing in the garbage, in accordance with the Territorial Local Authority.

Section14: Transport Information

Transport information: Not classified as a dangerous good for transportation

Section15: Regulatory Information

Registration number: A007476

For conditions of registration see <http://www.foodsafety.govt.nz>

HSNO Classification Title: Solid containing 4.5 – 5.5% prednisolone

HSNO Approval Number: HSR002178

For a full listing of controls see <http://www.epa.govt.nz>

Section 16: Other Information

Additional Information: N/A
